

Career Opportunities in Development Research

Founded in 2013, Angkor Research and Consulting Ltd. is a registered Cambodian company providing innovative solutions to complex research and policy questions. Due to the recent expansion of our project portfolio, we are seeking additional staff to join our dynamic, multidisciplinary research team. The position is ideally suited to an early-career professional interested in gaining experience on a wide variety of research and consulting projects. The initial contract will be for three months, with the possibility of extension.

Research Consultant

The successful applicants will have the following profile:

- Tertiary training in research;
- Experience working in the development sector;
- Experience in project management, quantitative data analysis and interpretation;
- Fluency in English is required (native or near-native abilities in written and spoken English);
- Ability to work well with a mixed team of Cambodian and expatriate staff;
- A genuine interest in research and willingness to learn new skills;
- Willing to work in an office environment and able to meet deadlines;
- Must respect the Angkor Research values of ethics, transparency and accountability.

Interested applicants should submit a cover letter and CV, including contact details for 2 recent references, to the Angkor Research office, No. 7A Street 173, Sangkat Toul Tumpoung II, Khan Chamkarmon, Phnom Penh, or by email to inquiries@angkorresearch.com. Angkor Research is an equal opportunity employer; all qualified individuals are encouraged to apply. For more information, please contact Mr. John Nicewinter at 023-222-501 or inquiries@angkorresearch.com. **The closing date for applications is 4:30pm Monday, 02 January, 2017.**
