

## Opportunities in Development Research

---

Founded in 2013, Angkor Research and Consulting Ltd. is a registered Cambodian company providing innovative solutions to complex research and policy questions. Currently, we are seeking **Cambodian staff** to join our team in the following positions:

- **IT/Network Administrator**

The successful applicant will be required to:

- Monitor performance of user machines, server, and network and take action to avoid anticipated problems;
- Handle user complaints, and repair hardware and software;
- Update system and user software, as well as anti-malware, as needed;
- Monitor computer and network security, and act to assure continued security;
- Manage the website domain, and update the website periodically;
- Install and configure new equipment;
- Perform and verify system backups;
- Other tasks as needed.

The successful applicant should have the following profile:

- Professional experience and skills in Information Technology and networking;
- Professional or formal training in IT/networking. University education in a related field is preferred, but secondary education with sufficient previous experience is also acceptable;
- Familiar with Windows, including Windows Server, in a networked environment and comfortable with a frequently changing, heterogeneous network;
- Intermediate or advanced English ability, especially related to IT terminology;
- Must be friendly, hardworking and motivated;
- Willingness to learn new skills and work in a small but motivated international team;
- Must respect the Angkor Research values of ethics, transparency and accountability.

Interested applicants should submit a cover letter and CV, including 2 recent references, to Angkor Research and Consulting, No. 7A Street 173, Toul Tumpoung II, Chamkarmon, Phnom Penh, or by email to [inquiries@angkorresearch.com](mailto:inquiries@angkorresearch.com).

Angkor Research is an equal opportunity employer; all qualified individuals are encouraged to apply. For more information, please contact Mr. KHIM Sarun at 023-222-501 or by email at [inquiries@angkorresearch.com](mailto:inquiries@angkorresearch.com). **The closing date for applications is 4:30 pm Friday, 13 March 2020.**
